Main RRI keys in Montenegro

Primary RRI keys that served as the central focus in Montenegro were included creation of the public engagement plan.

Expected changes should include the development of public policy solutions.

Present and Future impact in Montenegro

The current impact of the activities – key achievements and challenges:

- *Development of a threefold public engagement plan,*
- *Raised awareness of the importance of protecting key elements of the ecosystem,*
- *The key recommendation for policy development.*

The main challenges encountered:

- *Time frame.*

Expected future impact of the activities:

- *Continuing in promotion of the open dialogue,*
- *Finding a long-term sustainable solution,*
- *Public engagement.*

Some of the next steps:

- *Better touristic valorization,*
- *Environmental concept sustainability promotion,*
- *New added value.*

A woman with long dark hair and glasses, wearing a white t-shirt, stands in a meeting room pointing towards a whiteboard covered in colorful sticky notes. Several people are seated around a table in the foreground, looking towards her. The room has large windows on the left and a white brick wall.

This event is completed!

Thank you for your attention!
